

2020 WYSOKA GRZĘDA BAJA POLAND
03-06.09.2020 SZCZĘCIN, DOBRA, DRAWSKO POMORSKIE

**SPECIAL CONDITIONS
RELATED TO THE COVID-19 EPIDEMIC
VALID DURING
2020 WYSOKA GRZĘDA BAJA POLAND**

Due to the extraordinary situation concerning the COVID-19 epidemic, the participation in the 2020 Wysoka Grzęda Baja Poland (hereinafter referred to as "the Competition") will be carried out in accordance with special sanitary requirements.

This document sets out basic recommendations and safety requirements related to participation in the Competition to reduce the risk of infection during the COVID-19 epidemic in Poland.

Detailed guidelines and current sanitary rules applicable in the Republic of Poland are available on the official website of the rally at the following link <https://www.bajapoland.eu/pl/2020/covid-19>

PARTICIPANTS

As a person taking part in the Competition, he or she is considered: Competitor, Crew Members, persons accompanying the Competitor/Crew members (e.g. mechanics), representatives of accredited media and Officials, marshals and organizer's staff.

DANGERS

- risk of contact with a COVID-19 infected person;
- risk of COVID-19 infection.

AIMS

- minimize the risk of transmission and COVID-19 infection during participation in the Competition

ACTIONS

- Limitation of interpersonal contact (e.g. On-line Administrative Checks)
- Limiting the grouping of people (e.g. Briefing On-line, press conference in the form of individual interviews);
- applying the obligation to keep a social distance (min. 1.5 meters) and to cover the mouth and nose;
- Regular use of disinfectants;
- body temperature control.

MEASURES

- Providing personal protective equipment (PPE) for officials, marshals and organizer staff (masks, visors, gloves);
- providing disinfectants in the facilities and places used by the organizer (i.e. the Competition Office, Press Office, Scrutineering/Final Checks, Marshal Posts)
- Providing adequate space for the Participants, allowing them to maintain the required social distance and preventing people from grouping together (e.g. new location of the Service Park, presentation of the crews, the Finish Ceremony and the Rally HQ)

2020 WYSOKA GRZĘDA BAJA POLAND
03-06.09.2020 SZCZĘCIN, DOBRA, DRAWSKO POMORSKIE

RULES OF PARTICIPATION

In accordance with the applicable law, the Competition takes place without the participation of the public.

Before taking part in the Competition each Participant must inform the Organizer about his/her current health condition and possible health contraindications to participate in the Competition.

For this purpose, each Participant is required to fill in a health declaration on the form provided by the Organizer and undergo a non-contact body temperature test, which will be conducted by the organizer's staff. The result of the examination will be recorded on the health declaration.

In case of obtaining a temperature above 38° C or refusing to undergo the above mentioned non-contact body temperature test, the person will not be allowed to participate in the Competition and the fees paid will not be returned.

All Participants are required to follow these guidelines and procedures:

- each Participant must read this document;
- each Participant undertakes to comply with the provisions of this document, the Regulations of the Competition, the Regulations of the facilities and areas where the Competition takes place and the generally applicable law;
- each Participant undertakes to submit to the instructions and guidelines of the Organizer's staff and the staff of the facilities and areas where the Competition takes place;
- Only admitted Participants are allowed to stay in the Competition area;
- it is recommended to limit the competitors' personnel to the necessary minimum;
- Participants are obliged to stay in designated places, use only designated routes and observe the rules of keeping social distance;
- Participants are prohibited from unnecessarily grouping together and moving between teams, competitors and designated areas;
- Each Participant must have their own personal protective equipment (in addition to that provided by the organizer) and maintain the required social distance. It is recommended to wear masks covering the mouth and nose and protective gloves at all times during the Event;
- In cases where it is not possible to keep the 1.5 meter distance from each other, Participants are obliged to cover their mouth and nose (this requirement does not apply to Participants while participating in sports competitions);
- each Participant must have their own disinfectants (except those provided by the organizer), and disinfect hands and sports equipment owned by them;
- each person is obliged to disinfect their hands with disinfectant and repeat this activity according to the guidelines of the Organizer's staff and the staff of the facilities and areas where the Competition takes place.

The Participant is responsible for the proper training and safety of himself and his accompanying persons during the Competition.
