See programme (Art. 3 of these Regulations).

Necessary information's will be provided in printed form during collection of materials and documents (Art. 3 of these Regulations).

Drivers' Briefing will be performed on-line via 2020 Wysoka Grzęda Baja Poland official website www.bajapoland.eu (competitors area).

11.2. Rally Start

Rally Start is also the start of Leg 1.

Starting order to Rally Start will take place according to Starting List to Leg 1.

The Rally Start will be run as a passage of each Crew through the presentation ramp, which will be set after TC 0. All Crews are obliged to move according to Road Book and instruction given by marshals and Organizer personnel.

11.3. Electronic start, procedure at Special Stage

At each Start, there will be 2-digit electronic starting device with 2 green lights, coupled with a photocell responsible for detection of false starts.

The photocell will be placed about 40 cm beyond the start line. The display will be placed so to be well visible to a Crew sitting in a vehicle on the starting line.

The vehicle with the Crew is placed at the start line. The starting device continuously counts down to the moment of the green light. Numbers are shown in the sequence: 30, 15, 10, 5, 4, 3, 2, 1 and the green light. The green light will stay on for 20 seconds.

Within this time, a Crew must start.

11.4. Qualifying Stage (QS)

11.4.1. Any reconnaissance with the QS route is prohibited! (See SR App. No 5 to these Regulations).

11.4.2. Starting order and intervals will be the same as for Rally Start (TC0).

11.4.3. The maximum time to finish the QS is 15 minutes.

11.4.4. There will be no choosing starting positions for the 10 best drivers after the QS.

11.5. Special Stages (SS)

11.5.1. Any reconnaissance with the SS's route is prohibited! (See SR App. No 5 to these Regulations).

11.5.2. The maximum time to finish the SS is:

SS 2/3 – 3 hours

SS 4 – 40 minutes

SS 5 – 20 minutes

11.5.3. The maximum driving time to finish the SS may be modified at the request of the Clerk of the Course by the Stewards of the Meeting. The Competitors/Crews will be notified of any such modification as soon as possible. Crew that exceed the maximum time to finish the SS is obliged to leave the SS route through the first available evacuation route. About the above fact the Crew will be informed at the first SOS point encountered along the SS route. Failure to comply with this provision will result in disqualification of the Crew from the Rally.

11.6. Passage Controls (PC) and Waypoints

11.6.1. PC's will be marked only in Road Book and by using physical signs.

11.6.2. Each missed PC will be penalised 15 minutes of penalty.

11.7. Speed Control Zones (SCZ)

11.7.1. Speed Control Zones (SCZ) might be established on SS route.

The start of the SCZ will be indicated in the road book by a box "SZ" and by two red physical signs marked "SZ" on the SS route.

The beginning of the control area on the SS will be indicated by two yellow warning physical signs marked "SZ", located 90 meters before above mentioned two red physical signs marked "SZ".

Zone starting from the yellow "SZ" sign and ending 90 meters after the red "SZ" sign is the tolerance zone within which no penalty applies.

The end of this speed control zone will be indicated in the road book by a box "FZ" and by two red physical signs marked "FZ" on the SS route.

90 meters after above mentioned two red physical signs marked "FZ", there will be two signs on a beige background with three black transversal stripes, that indicate the end of the zone.

Zone starting 90 meters before red "FZ" sign and ending on beige background with three black transversal stripes sign, is the tolerance zone within which no penalty applies.

If there is a divergence between the Road Book and the physical signs, the information given by the Road Book will prevail.
